## **New Lenox Fire Protection District Responds to Car Fire**

(February 22, 2018) – This afternoon at 2:43 p.m. the New Lenox Fire Protection District received a call for a car fire at S. Cedar Road and E. Fourth Avenue. When we arrived on scene, rubbish inside a garbage truck had caught fire, but the truck was able to dump it out before it sustained any damage.

Public works also assisted the fire district with their endloader to help extinguish the fire.

The cause of the fire is undetermined.

---

The primary mission of the New Lenox Fire and Ambulance Protection District is to provide a range of programs designed to protect the lives and property within New Lenox Village and Township from the effects for fires and sudden medical emergencies or exposure to dangerous conditions created by man or nature with professional, compassionate, and quality service.
